

IHS Jane's Customer Training & Awareness

MCoE HQ Donovan Research Library is partnering with IHS Jane's to provide WebEx training. The training session will be conducted by Erin Horansky from IHS Jane's on **Tuesday, April 10th from 11:30 - 1 PM** at the library. To participate at your desktop and/or for additional information, please contact Sherrie Floyd (sherrie.m.floyd.civ@mail.mil) or call 706 545-6411/5661.

The training session will detail:

- Equipment and systems specification, platform and program reference data
- Evaluation of political, diplomatic and geopolitical analysis
- Equipment in service inventories and military capabilities details
- Profiling and tracking of insurgent and terrorist news and analysis
- Global overview of defense and security related news and analysis

IHS Jane's sources available through the MCoE HQ Donovan Research Library include:

***Contact the library for username and passwords.**
